(A)
Shared Representations
Multimodal Fusion
Intermediate or Late Fusion
x_1 ... x_m
Limited input m modalities during training
(B)
Images
Multiomics
Clinical
Modality -specific Encoder
x_1
x_m
Iterative Process
Early Fusion
Intermediate Fusion
Updated Shared latent space
Hybrid Early Fusion Layer
(C)
Effective Shared Representations
Images
Multiomics
Clinical
x_1
x_m
Multi-scale Spatial Details Learning
Intermediate Fusion
Late Fusion
Robust Shared Representations
Efficient Hybrid Fusion Layer
